Aurora
Fact Sheet

InstaShade Aurora

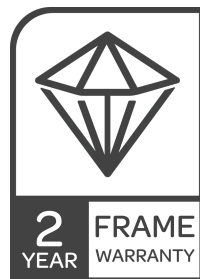

The Aurora Cantilever Parasol epitomises elegance and practicality, offering a lightweight, compact design crafted for effortless use. Its 360° rotation and unlimited tilt positions ensure maximum shade coverage, including protection from low afternoon sun, while its space-saving structure eliminates the need for a central post. Built to last with marine-grade materials, the Aurora is easy to install, disassemble, and store, folding neatly against the mast for convenience. The water-repellent, UV-resistant canopy comes in five standard colours, with an extensive range of bespoke options available upon request. Complete with a free cover bag, this parasol is the perfect blend of sophistication and functionality for luxurious outdoor living.

10 Year Fade Warranty

European made 100% solution-dyed colours our premium marine-grade fabric comes with a 2 year fabric warranty & a 10 year colour fade warranty (limitations apply).

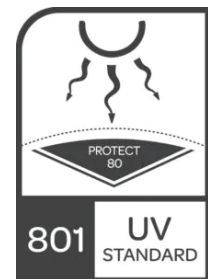

2 Year Frame Warranty

Made with a marine grade aluminium frame and strong stainless steel components & fixings. This is built to last and comes with a 2-year back-to-base frame warranty.

50km/h Wind Rating

Extremely sturdy and robust - able to withstand up to 50 kmph winds.

801 UV Standard

Provides Unparalleled sun protection with UV standard 801 certification.
